Just Teach!

Permanent KS2 teaching positions available from September 2018

Positions available at West Vale Primary School and The Greetland Academy

'The Greetland Academy Trust strives to always provide an inspirational, positive and welcoming environment where there is a sense of pride and fun and where everyone works together with confidence, enthusiasm and mutual respect'

We are seeking candidates who must be self-motivated with an open approach and a willingness to make a significant contribution to the trust's position in the forefront of developments in education.

We welcome applicants from a variety of stages in their teaching career who must have a good understanding of strategies for raising achievement and attainment, a working knowledge of current curriculum developments and a creative approach to learning. These posts are across both Greetland and West Vale Schools (specifically upper KS2 is of interest) and applicants should state in their application form their reasons for choosing to work in a particular school as both offer exciting challenges.

The Greetland Academy Trust

The Greetland Academy is the founder member of The Greetland Academy Trust and is continuously recognised as a top-performing academy, and it continues to play a pivotal role across the region in raising standards. It provides specialist school improvement support as a National Support School with linking system leaders, including a National Leader of Education and Specialist Leaders of Education, and we have recently been designated as one of 22 National Research Schools as the 'Oldham Research School'.

In March 2018, West Vale Primary School joined our multi academy trust thus offering staff greater development opportunities across the academy trust. As the Trust continues to grow our roles offer pathways for ambitious and dynamic individuals who are determined to make a difference.

We have a strong work ethic and community ethos across our Trust and a defined leadership structure to support all our staff. When it comes to pupils' academic performance great teachers make all the difference!

The Greetland Academy Trust is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. DBS checks are required for all relevant posts.

If you would like to learn more about these posts and are interested in joining our team of committed professionals, please download our application pack from www.greetlandacademy.org.uk, or alternatively from www.educatehr.co.uk.

Visits to our schools are encouraged and can be arranged by telephoning Jayne Firth, Chief Operations Officer at The Greetland Academy Trust on 01422 372893.

Please return your completed application form by email to Jayne Firth: j.firth@greetlandacademy.org.uk or alternatively post to the trust school address: The Greetland Academy, School Street, Greetland, Halifax HX4 8JB, marking the envelope 'FAO Jayne Firth'.

Please indicate if you wish your application to be considered for only one school by quoting the appropriate reference indicator (for West Vale – 'WV', for the Greetland Academy 'TGA') or, if you wish your application to be considered for both schools by quoting both reference indicators.

Closing date for applications: 11 May 2018 (12 noon)

Interviews/assessments:

The Greetland Academy: 18 May 2018

West Vale Primary: 21 May 2018
